

Job Posting: General Labourer

 **Location: Val-d'Or, Quebec**

Abitibi Metals Corp. (CSE: AMQ | OTCQX: AMQFF | FSE: FW0) is a Canadian mineral exploration company focused on developing the B26 polymetallic project in Quebec. We are seeking a motivated general labourer to join our team and contribute to our exploration programs in an environment focused on scientific rigor, operational efficiency, innovation, and resource expansion.

Under the supervision of the Coreshack Supervisor, this permanent, full-time position offers a unique opportunity to make a tangible contribution to the development of a leading polymetallic project in the Abitibi Greenstone Belt.

Main Responsibilities:

- Moving pallets and boxes of drill core.
- Handling boxes of drill core (in racks and on core tables).
- Perform various site errands and supply runs.
- Receive deliveries.
- Receive and manage drill core, waste, and pulp.
- Maintain the interior and exterior of the buildings and yard.
- Maintain company vehicles and machinery.
- In winter, clear snow from company facilities.
- Ensure compliance with environmental standards and health and safety requirements.
- Assist technicians and geologists with other related tasks.

Qualifications and Experience:

- Valid driver's license required.
- Experience as front-end loader and forklift operator.
- Relevant experience in exploration or mining (general labourer, yard worker, camp worker, driller, operator) is an asset.
- Strong interest in physical work and operating heavy machinery.
- A vocational diploma (DEP) in a relevant field is an asset.
- Good communication skills.

- Reliable, resourceful, hardworking, independent, in good physical condition, organized, and structured.
- Fluency in spoken French. Bilingualism (English-French) is an asset.
- Canadian citizens or Canadian residents with a valid work permit only.

Conditions offered:

- Permanent, full-time position.
- Schedule: 7-7 (Friday to Thursday), 12 hours per day (6:00 a.m. to 6:00 p.m.).
- Competitive salary, in line with mining industry standards.
- Position based at the Val d'Or core shack or occasionally at project sites.
- Group insurance plan.
- Dynamic team and friendly work environment.
- Priority given to candidates residing in or near Val-d'Or or willing to relocate there.
- Start date: between late April and mid-May 2026.

Why join Abitibi Metals?

- Join a growing exploration company active in Quebec, a world-class mining jurisdiction.
- Work on a high-potential project with a real impact on resource development.
- Grow within an experienced, accessible, and committed management team.
- Work environment that fosters learning, initiative, and innovation.
